SEMINARS, ONLINE COURSES & MULTI-DAY WORKSHOPS

The Codes to Confidence

Connect with the source of your intuition and cultivate authentic courage. Create and transform yourself and your world. Learn how to access your inner guidance, break through obstacles and manifest your dreams with confidence and self-esteem.

Your Soul-Inspired Business Launch

The course is based on foundational business strategies – a proven entrepreneurial launch and grow system that Joy has been teaching for ten years. You will develop a marketing action plan that is inspired by your visions, understand the power of cashflow and pricing for success, and learn stellar best practices for running a small business utilizing the principles of leverage and smart decision making!

How to Be Happy

Having things and circumstances – money, success, relationships, health – brings a certain kind of happiness, but this temporary experience of satisfaction or joy soon fades, and we have to hurry up and fulfill the next desire to feel happy again. To experience true and lasting happiness, we can learn to access the deep state of peace and well-being that already exists within us—beyond the reach of external circumstances. Then, no matter what is happening in life we are Happy for No Reason®.

Women's Renewal: The Courage to Feel is the Choice to Heal

During this relaxing retreat, you will invest the time to reset and refresh your most important asset, YOU! Understand the importance of self-care on an ongoing basis and find out new ways to sustain your energy for life.

Lasting Love Connection: Communication Skills for Couples

Facilitated in partnership with Kirk Danilson, this program offers couples an intimate setting to share privately and grow together. With a focus on building connection and understanding, participants practice proven skills, methods and mindsets for deepening love and relationship ease. Couples explore relationship dynamics and transform them.

Vision Quest for Soulful Singles: Ready Yourself for Love

Taught in partnership with Kirk Danilson, this weekend experience allows participants to breakthrough relationship myths, learn the clues to a healthy partner, practice communication skills that build trust, and meet other heart-full singles. Offered in safe and respectful natural environments around the globe.

“Joy’s words and spirit exude possibility.

You don’t just hear inspiration; you feel inspired.”

— Dr. Warren Farrell, Best-Selling Author, *The Boy Crisis*
